Question: How Did They Arrive At This Score?

By ED BROWN (A Kiwanian)

The score was 4 to 3! Or that is what was at last officially accepted as THE score in favor of Kiwanis in the annual Torrance Kiwanis-Rotary baseball game at the Torrance Park last Thursday evening.

Many things happened. First Sam Levy of Rotary was "tend-leaved" to Kiwanis when the entire Kiwanis nine failed to show at the proper time. Sam's two-bagger brought him home on a three-base hit by Homer Trueblood. Rotary objected.

Then John Stroh objected to Rotarian Johnnie Melville going from second directly to the home plate.

Later there were quite a number of objections on both sides... even to the umpire's ruling of four strikes allowed Jack Barrington. Jack didn't see one of the strikes pitched to him.

Of course Rotary was quite unhappy when Kiwanis called the game on account of darkness after they had been to bat the first half of the fourth inning.

There seemed to be some argument as to whether the score was 5 to 2, Kiwanis, or

Twin Feature Is Slated For Bowl Tomorrow Night

Four of the most popular lightweights in the Harbor area, matched in a double main event, will headline the amateur boxing show at the Wilmington Bowl tomorrow night. First bout on another attractive all-star show is slated for 8:30 p.m.

Joe Villalobos, draws Sal Ariaza, a protege of Jack Sasser, in the first half of the twin feature, while in the climax, battle it's Tony Contreras against Ernest Freeman of Los Angeles.

Heavyweights draw the featured role in the supporting bouts when Moses Shackelford of San Pedro, a powerful slugger, squares off against Columbus Mackey. Five additional preliminaries will complete the show.

Rotary still doesn't like it. It just goes to prove that you can't please everybody... even in a friendly baseball game.

Pacific Clay started the scoring by bounding in a tally during the third inning and followed this in the next inning by pushing three more runs across the plate for a four-run lead until the fifth frame when the Iron Workers grabbed five runs before the Clay men could stop the rally.

Future Milers To Get Medals From Lions Club

Four milers of the future who will have Zamperini training will be honored at the Torrance Lions Club meeting Tuesday noon when they will be presented with medals for winning the handicap mile conducted for eighth graders at Torrance High School by Coach Pete Zamperini last Spring.

The lads are Harold Duncan, Rudy Flores, Bill Johnson and Robert Buchanan. Coach Zamperini, brother of the famous Olympic miler, Capt. Louis Zamperini, believes that milers are made when lads are young.

He is developing a program of picking three boys out of the eighth grade twice each year. "By the time they become seniors," Coach Zamperini said, "we will have a champion or two, providing the boys stay with it." The Lions have undertaken to award medals to first, second and third place winners of the handicap each semester, and the first awards will be made when the boys will be guests of the club Tuesday.

STAR AWARDS TROPHY... Rosemary De Camp, actress wife of City Judge John Shidler, awards the first place Southern California Baseball Tournament trophy to Art Swartz, manager of Signal Oil, whose team won five straight games in Torrance Park to become the 1946 semi-pro champs. Swartz's Santa Monica nine defeated the Iron Workers 5-1 in Sunday night's tilt to end the 30-day tourney. The Iron Workers drew second place prize followed by Pacific Clay Products for third with fourth place trophies split between Rosabell Plumbers and Burke's Giants. Sixteen top ball clubs were entered in the double elimination tournament play. (Photo by Torrance Herald.)
